Laura –

Are you able to type the date on the letter, then scan and send to me? The letter needs to have a date on it.

Brent, it has been signed.

But we don't have a date stamp, can it be emailed to you without it?

Steven -

Can someone update me if Mike Stoker has signed the revised letter to San Francisco Mayor Mark Farrell? I shared the mailing addresses for the cc's included again below. If so, can the final dated letter be scanned and sent to me for distribution as well as closeout in Correspondence Management System? Thanks.

Steven/Romi –

Per a request from Lily Lee per a request to her from Enrique, I have added cc's to the attached letter for the Mayor of San Francisco that Mike Stoker needs to sign in the LA office on Monday. Once Mike signs, the LA office needs to date-stamp and then create a PDF and send to me for CMS closeout. **Please note that Mike signed a previous version of this letter that had the Mayor's first name listed as Mike incorrectly and should have been Mark.**

The cc's mailing addresses for Romi or whomever can mail out are as follows:
